Dear Scholarship Applicant,

Thank you for your interest in the North American Corriente Association (NACA). The Board of Directors and the membership of the NACA are excited to once again offer two \$500 scholarships to a cowboy and cowgirl that has been involved or has family involved with our association. It is with great pleasure that we can help today's youth with their college expenses or future endeavors. We are awarding two scholarships to 2024 outgoing seniors.

To apply, please fill out the attached application and use more pages if necessary. The Board would really like to get to know you and how you are involved in the agriculture and corriente industry.

The deadline to submit the scholarship application is March 1st, 2024. We will be announcing the winners April 15th, 2024. The scholarship can either be mailed to the national office or scanned and emailed to the office by the deadline date.

Thank you for your application. Please contact the NACA national office if you have any questions.

Good Luck,

Nikki Ashley
