

APPLICATION TO REGISTER A CORRIENTE BULL BY VISUAL INSPECTION

- * At the time of inspection, the bull must be estimated to be at least two (2) years old.
* At the time of inspection, the bull must be branded with owner's holding brand (if applicable) and branded with an identification number (number brand).
* Bulls will be more heavily scrutinized than cows being visually inspected

This application MUST be accompanied by:

- 1. At least four (4) photographs showing the bull after it is branded. The photos must show each entire side of the bull with the brands legible, the front of the bull, and the rear of the bull with both testicles showing clearly.
2. A video, at least one minute in length, showing the bull from all sides and with a person walking around in close proximity to the bull.
3. Appropriate registration and inspection fees: \$2,500.00 for visual inspection and registration (\$1000.00 will be refunded if the bull does not pass visual inspection.)
